## BOOK SYNOPSIS

Shes a tomboy. Hes the boy next door. With three older brothers, Charlotte Reynolds, aka Charlie, has always been more comfortable calling the shots on a basketball court than flirting with the opposite sex. So when her police officer dad demands she get a summer job to pay for the latest in a long line of speeding tickets, shes more than a little surprised to find herself working at a chichi boutique and going out with a boy who has never seen her tear it up in a pickup game. Charlie seeks late-night refuge in her backyard, talking out her problems with her neighbor and honorary fourth brother, Braden, sitting back-to-back against the fence that separates them. Braden may know her better than anyone. But theres a secret Charlies keeping that even he hasnt figured out—shes fallen for him. Hard. She knows what it means to go for the win, but if spilling her secret means losing him for good, the stakes just got too high. *On the Fence* is a sweet and satisfying read about finding yourself and finding love where you least expect it.
